## **PUBLIC DEMONSTRATION OF REDESIGNED FORM 603 FOR ASSIGNMENTS OF AUTHORIZATION AND TRANSFERS OF CONTROL IN THE UNIVERSAL LICENSING SYSTEM WILL TAKE PLACE ON FEBRUARY 16, 2005**

As part of a continuing effort to improve the license application process, the Wireless Telecommunications Bureau (WTB) announces it is currently redesigning FCC Form 603, Application for Assignments of Authorization and Transfers of Control. A public forum will be offered on Wednesday, February 16, 2005, from 1–3 p.m. for members of the public who are interested in viewing the work in progress and providing feedback. The demonstration will take place at the Washington, DC headquarters building, 445 Twelfth Street, S.W., in the 7<sup>th</sup> Floor South Conference Room (Room 7-B516). WTB requires that interested parties pre-register for the event by February 10, 2004.

### **Redesigned FCC Form 603**

FCC Form 603 is being redesigned in order to, among other things, implement the Commission's recently adopted policies in its Secondary Markets proceeding regarding the immediate approval of certain license Assignments of Authorization and Transfers of Control.<sup>1</sup> In addition, the redesigned Form 603 will be filed in a new interface: ULS License Manager. License Manager provides an enhanced filing environment for working with wireless applications and allows for simplified filing of applications in question and answer format through an application wizard. The forum will include the following:

- Demonstration of how to file Assignments of Authorization and Transfers of Control in the new environment
- Discussion of new form questions
- Overview of planned implementation of the redesigned Form 603

**Note:** A similar demonstration for the new FCC Form 608 related to spectrum leasing will be held at a later date.

### **Registration**

Pre-registration is required. To pre-register for the seminar, please contact Lee Burcham by email at [lee.burcham@fcc.gov](mailto:lee.burcham@fcc.gov), or by phone at 202-513-4575, by February 10, 2005. If registering by email, the subject line of the email should state "Public Demonstration of Redesigned Form 603." Please provide your name, organization, telephone number and email address. We will confirm your registration by return email.
